Ok great thank you

I started buying crypto

Any NFTs yet? Lol

My friend made 1 million on a 20k investment last year

No NFTs just crypto I just listen to him he messaged me daily on what to buy and I'm just listening to him

What wallet and exchange do you use?

I used Coinbase he has me buying algorand on Coinbase Bc of the apy and everything else on voyager

Don't use a crypto wallet yet
